# Stow & Show Storage Bag Set

The Stow&Show Storage Bag Set is sold as a set consisting of a medium bag placed inside the large bag. The practical design makes it easy to find whatever items are placed inside by the use of the patent pending display sheet. Diagram below provides instruction on use. In addition, the clear vinyl wall allows identification of the bags contents from a distance. It has applications in the home improvement field, storage solutions market, construction industry, golf industry, electrical trade, cosmetics, and toy industry to name a few.

Dimensions of Large Bag: 5.5" diameter x 9" tall closed

Material: Black nylon fabric and clear vinyl

Features: Our unique Display Sheet design (patent pending) for easy location of items -- this design is not offered anywhere else!
